SUPPLEMENTAL LIFE/AD&D

Deductions for supplemental Life/AD&D are taken from your paycheck after taxes. Rates are available online during enrollment.

Domestic Partner (DP) Contributions:

Your contributions to cover a DP are the same as those to cover a legal spouse. However, because of Internal Revenue Code (IRC) restrictions, in most cases, the fair market value of your DP's or DP's children's (if they are not federal tax dependents) healthcare coverage will be taxable to you as imputed income. This value is determined by the amount that The Company pays in premium for DP coverage. This amount raises your taxable gross income. Also, the payroll deductions to cover a DP must be taken on an after-tax basis.
